Bass tab

We play two notes together, though we live on planes

```
G----------------------------------------------------
D----------------------------------------------------
A----------------------------------------------------
E----1----1----0----0----0----1----1----0----0----0--
```

apart. Even still our words are laid bare; candid

```
G----------------------------------------------------
D----------------------------------------------------
A----------------------------------------------------
E----1----0----0----0----0----0----1----0----0----1--
```

overtures of secret hearts. You put a hex on me.

```
G----------------------------------------------------
D----------------------------------------------------
A----------------------------------------------------
E----0----1----0----1----0----0----0----0----1----0--
```
